

LINCOLN REWARDS

REWARD POINTS

The Academy uses a reward point system to recognise student's hard work and efforts throughout lessons and involvement in enrichment programmes.

Reward points are captured in ClassCharts and students are able to redeem rewards with their points via the ClassCharts reward store. All students are provided with logins and this is the same account where their homework is set.

VALUES CARDS

The Lincoln Values cards are personalised postcards recognising when students have gone above and beyond one of the Lincoln Values.

There are three types of Values cards each recognised at different levels in the students contribution to the Academy:

- **Lincoln Values:**
Courage, Curiosity, Passion, Wisdom, Generosity
- **Lincoln Attitudes:**
Keep Going, Dream Big, Be Proud, Work Hard, Be Kind
- **Lincoln Tag Words:**
Grit, Graft, Grow, Glory, Grace

SUBJECT CHAMPIONS

The Lincoln Subject Champion is a reward system which recognises student's efforts and commitment to curriculum areas.

This will involve extra-curricular sessions and additional Academy events. The subject champions will reflect the Academy values and promote the thriving academic environment. Subject Champions will be presented with a colours tie to reward them for their commitment, services and passion for a curriculum area.

LINCOLN BACCALAUREATE (STARS)

The Lincoln Baccalaureate is the overarching reward programme in which students at the Academy work towards in an academic year.

This is a yearly document which identifies different challenges and milestones. Throughout the Baccalaureate when a student is successful they will be presented with a bronze/silver/gold star. The highest accolade will be a House star which will require students to engage with all opportunities in the Academy.

REWARD & ENRICHMENT TRIPS

The Academy regularly organises trips in which embed and enrich the lives of the students at the Academy.

Reward trips are organised to celebrate and reward student's effort in lessons. This is to celebrate and to reward student's effort in lessons throughout the term. Enrichment trips are fully inclusive and open to all students. However if a student's behaviour and conduct does not uphold the Academy's Values, the student's place maybe withdrawn.
